Directs that the services of some literate person may be employed to keep the registers, etc., of the —— in which there is no literate member.

READ—

Letter No. A2. C. 2131, dated the 24th February 1927, from the Deputy Commissioner, Kolar District, reporting that several Panchayets of the District contain only illiterate Panchayetdars and recommending the nomination of a literate gentleman, though living outside the limits of the Panchayet, as member and Chairman in such cases to carry on the work of the Panchayet.

2. Letter No. A2. 3823, dated the 16th March 1927, from the Deputy Commissioner, Kadur District, recommending that the Shanbhog may be appointed as Secretary to a Panchayet when there are no literate members on the Panchayet.

3. Correspondence ending with letter No. L. 3992, dated the 14th June 1927, from the Revenue Commissioner, furnishing his opinion in the matter.

ORDER No. L. 548-57—V. P. 1-26-16, DATED 27TH JULY 1927.

After considering the views of the Deputy Commissioners, the Revenue Commissioner is of opinion that what is essential is that the Secretary of the Panchayet should be literate, as the responsibility for the preparation and maintenance of all registers, accounts and records of the Panchayets rests with him and that therefore the Shanbhog, though not residing in the village, may be appointed as Secretary of the Panchayet in cases in which a literate person is not available in the Panchayet limits. He recommends that the collection work of Panchayets may be entrusted to the Patels and Shanbhogs of the respective Villages and remuneration paid to them for the work at rates fixed for revenue collections.

2. Government generally agree with the Revenue Commissioner and are pleased to direct that when there is no literate member in a Panchayet, the services of some literate person, whether residing in the village or not, may be employed under Section 34 of the Village Panchayet Regulation to keep the registers and to carry on the correspondence of the Panchayet and such a person may be paid suitable remuneration.

3. Collection work in Panchayets will be entrusted to local Patels and Shanbhogs and the usual potgi paid to them whenever necessary.
